sd200v Notebook Docking Station with Video

Connect a monitor and peripherals with one USB plug

Product Number	**K33415US**
Sugg. Street Price	**$139.99**

Turn your notebook into a desktop complete with two screens for a real productivity boost thanks to the DualView feature. Plus connect all of your peripherals with a single USB plug.

Features and Benefits

- DualView lets you expand your work area across your notebook screen and an external monitor in copy or extend mode
- DualView Switch and Smart Connect/Disconnect technology manages the dual display settings for you
- Gain instant access to your keyboard, monitor, mouse and all peripherals with one USB plug
- Stereo out & Microphone In port lets you connect 2.1 stereo speakers or Internet chat headsets
- Mini tower design reduces desktop footprint
- Plug-n-play and hot pluggable, so you can connect to the dock and swap devices without shutting down
- Front USB port makes connections quick and easy
- Works with any Windows XP or Vista notebook. Now works with MacBook computers via the beta version of the Mac driver!

Technical Specs

- 1 VGA port, 5 USB 2.0 ports, Microphone In & Stereo out ports
- VGA port compatible with widescreen monitor (up to 1440x1050 pixels) and regular monitor (up to 1280x1024 pixels)
- 2.1 stereo speaker compatible
- Front LEDs for connectivity status
- Hot pluggable
